SETTLEMENT BENEFITS - WHAT YOU MAY GET

If you received notice that your Private Information was potentially compromised in the *Dryden v. Tri Counties Bank* Data Security Incident that took place on or about February 7, 2023, and if you did not opt out of the settlement, you may submit a claim.

The easiest way to submit a claim is online at www.TriCountiesSettlement.com, or you can complete and mail this Claim Form to the mailing address above. Settlement Class Members may qualify for one or more of the following benefits:

- **Expanded Identity Theft and Fraud Monitoring (“EITFM”):** You may enroll in identity theft and fraud monitoring program with single bureau credit monitoring, lasting one year, and offering up to \$1,000,000 in insurance for any losses due to fraud or identity theft during that time as well as access to a dedicated fraud/identity theft rehabilitation specialist. Settlement Class Members who accepted the Defendant’s original offer of identity theft and fraud monitoring shall be entitled to an additional one year if they claim this benefit. Enrollment instructions will be provided after the settlement receives final approval.
- **Documented Loss Payment:** You may submit a claim for actual out of pocket losses fairly attributable to the Data Security Incident and time spent dealing with it for up to \$5,000 per Settlement Class Member. To receive a Documented Loss payment, you must submit appropriate documentation supporting the losses.

Any claim that is deemed by the Settlement Administrator to be deficient (and which cannot be cured after a reasonable period of time) will be deemed to be a claim for an Alternative Cash Payment, rather than be denied outright.

- **Alternative Cash Payment:** As an alternative to filing a claim for Documented Loss Payment, you can elect to make a claim for \$100 Alternative Cash Payment which may be adjusted on a pro rata basis. To receive this benefit, you must submit a Valid Claim, but no documentation is required to make a claim. The amount of the Alternative Cash Payment will be calculated under the Plan of Allocation in the Settlement Agreement, after deducting from the Settlement Fund the amounts needed to pay claims administration, attorney’s fees expenses, service awards, fees, cost of EITFM, documented losses and the approved California Statutory Cash Payment.
- **California Statutory Cash Payment:** In addition to making a claim for Documented Loss Payment or Alternative Cash Payment, Settlement Class Members who are residents of California (and/or who resided in California at any point between February 7, 2023 and the claim filing deadline) will be entitled to an additional cash payment in the amount of \$150, which may be adjusted on a pro rata basis should the total amount of claims exceed the Settlement Fund. To qualify for the California Statutory Cash Payment, you must provide proof of California residency by submitting a sworn attestation confirming their California residency.

Claims must be submitted online or mailed by April 21, 2026. Use the address at the top of this form for mailed claims. For more information and complete instructions visit www.TriCountiesSettlement.com.

Settlement benefits will be distributed after the Settlement is approved by the Court and final.
